**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT FOR APPLICANT'S  
MISTAKE (37 CFR § 1.323)**

Sir:

In accordance with 37 C.F.R. § 1.323, we respectfully request that a Certificate of Correction be issued for the above-captioned patent to correct the following errors:

Patent 6,868,525  
Issued March 15, 2005  
REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT

ON TITLE PAGE, please insert:

**--Related U.S. Application Data**

(60) Provisional application No. 60/179,577, filed on Feb. 1, 2000.--

Please amend the specification at Col. 1, line 3, to include the following section before the Field of Invention Section:

**-- CROSS-REFERENCE TO RELATED APPLICATION**

This application claims the benefit of U.S. Provisional Application No. 60/179,577, filed February 1, 2000. --

**REMARKS**

The above-requested changes to the specification and title page are to correct a failure to make reference to a prior co-pending provisional application pursuant to 37 C.F.R. 1.78(a)(2) and (a)(4)(CFR version of November 29, 2000) and 35 U.S.C. § 119(e). Attached hereto is Form PTO/SB/44 incorporating the requested changes.

In accordance with MPEP 1481.03(II)(A), because the filing date of the application for this patent was before November 29, 2000 the version of 37 CFR 1.78 in effect on November 29, 2000 controls, and we hereby state the following: all requirements set forth in 37 CFR 1.78(a)(3) were met and it is clear from the record of the patent and provisional application that priority is appropriate.

As at least one of these mistakes include errors on the part of the Applicant, please charge our deposit account, Deposit Account No. 06-1135, in the amount of \$100.00 to cover the required fee for the certificate of correction. The Commissioner is hereby authorized to charge any additional fees which may be required in respect to this communication to Deposit Account No. 06-1135.

## Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
